MBA RURAL MANAGEMENT PLACEMENTS

The Campus Placement Programme for each graduating batch ensures that all the students secure meaningful and challenging career opportunities in line with course objectives.

The institute has enlisted partner organizations, which it invites for placement purposes. This list is ever- increasing and attempts are made every year to enlist more organizations. These organizations represent a wide range of sectors, organizational forms and orientations. The commonality among these partner organizations is their long-term commitment towards catering to the needs of rural development, particularly to the needs of the poorer section of rural society.

The nature of jobs offered to **MBA-RM** graduates varies widely. **Our MBA-RM (earlier PGDRM) Alumni has been working in** areas as diverse as rural development, community mobilization, managing collectives, project management, planning and information systems, production management, marketing, finance and accounts, human resource development, natural resources management etc. **The details of the job profile of our MBA-RM Alumni is mentioned below:**
