

IIHMR University Amongst The Top Universities Of The Country

Premiere institute of MBA in Rural Management, Hospital and Health Management and Pharmaceutical Management, the Indian Institute of Health Management Research (IIHMR-University) was felicitated at the EW India Higher Education Rankings Awards 2018-19 recently in Bangalore for standing second amongst the top private universities of Rajasthan.

The awards are organised by the Education World and are given to felicitate the country's top-ranked private universities, private engineering institutes, B-schools, EMBA B-schools & multidisciplinary colleges. The criteria for these rankings are based on specific parameters of education excellence like faculty competence, research & innovation, placement, industry interface, amongst others.
