Conference on Breakthrough Technologies and Transformation toward Future Healthcare

November 27, 2018 07:35 PM

NEW DELHI, 27 November 2018: Experts from home and all over the world in the fields of healthcare, pharmaceuticals and allied industries are set to converge at IHMR University's Jaipur campus at the 23rd version of its celebrated annual conference, Pradanya, present the vision of the future healthcare by delivering and educating the audience about breakthrough technologies, transformations, innovations and discoveries as well as discussing existing healthcare models and best practices, from the 29th of November, 2018 to the 1st of December, 2018. The event will see participation from Dr Chandrakant Lahariya.
