Programs Offered

MBA Hospital and Health Management
Duration: 02 Years | Fee: ₹ 9,60,000

MBA Hospital and Health Management is the University's flagship educational program which aims to develop professional managers with requisite skills in planning, implementation, operational management, diagnosis and problem solving, consultancy, and entrepreneurship. Through this rigorous program, graduates can manage hospitals and healthcare institutions globally, both in the public and the private sectors, thus meeting the demand for quality healthcare management.

MBA Pharmaceutical Management
Duration: 02 Years | Fee: ₹ 8,40,000

IIHMR University offers two-year full-time MBA Pharmaceutical Management program. This MBA program aims at developing trained professionals with requisite skills in planning and business operation, techniques, diagnosing and solving management problems and acquiring consultancy skills, with a view to prepare them to manage pharmaceutical business process management and services.

MBA Development Management
Duration: 02 Years | Fee: ₹ 5,25,000

In keeping with the burgeoning demand for development professionals who can hit the ground running in a variety of sectors, MBA in Development Management is committed to developing a cadre of trained professional managers who can manage rural development organizations and programs, both in the public and the private sectors.

Master of Public Health
Duration: 02 Years | Fee: $ 22,000

Since 2013, Johns Hopkins University's Bloomberg School of Public Health (JHSPH), Baltimore, Maryland, USA in partnership with the IIHMR University has been offering Master of Public Health (MPH) two-year fulltime degree program in Jaipur, India for students from India and surrounding countries. The curriculum is structured to build knowledge, develop skills and provide exposure to real-world situations in public health.

Doctor of Philosophy (PhD) program
Duration: 03 Years | Fee: ₹ 4,00,000

IIHMR University has started offering a full-fledged Ph.D. program since 2014 adding to its existing postgraduate programs. Although the program builds on IIHMR university’s core competencies in the domain of public health, health and hospital management, pharmaceutical management and rural development, the program is envisaged to be multidisciplinary in nature and allows potential candidates to pursue research on a wide range of topics.
Programs Offered

MBA Hospital and Health Management
- University's flagship educational program
- Aims to develop professional managers with requisite skills in planning, implementation, operational management, diagnosis, and problem solving, consultancy, and entrepreneurship.
- Graduates can manage hospitals and healthcare institutions globally, both in the public and private sectors.

MBA Development Management
- Committed to developing a cadre of trained professional managers for rural development organizations and programs.

*IIHMR UMAT and GD-PI dates are subject to change as per UGC guidelines*
Eligibility Criteria & Selection Process

**Ph.D. (Doctor of Philosophy)**

Candidates for admission to the Ph.D. program shall have a Master's degree or a professional degree declared equivalent to the Master's or M.Phil degree by the corresponding statutory regulatory body, with at least 55% marks in aggregate or its equivalent grade 'B' in the UGC 7-point scale (or an equivalent grade in a point scale wherever grading system is followed) or an equivalent degree from a foreign educational institution accredited by an Assessment and Accreditation Agency which is approved, recognized or authorized by an authority, established or incorporated under a law in its home country or any other statutory authority in that country for the purpose of assessing, accrediting or assuring quality and standards of educational institutions.

A relaxation of 5% of marks, from 55% to 50%, or an equivalent relaxation of grade, may be allowed for those belonging to SC/ST/OBC (nonceramic layer)/differently-abled and other categories of candidates as per UGC guidelines from time to time, or for those who had obtained their Master's degree prior to 19th September 1991. The eligibility marks of 55% (or an equivalent grade in a point scale wherever grading system is followed) and the relaxation of 5% to the categories mentioned above are permissible based only on the qualifying marks without including the grace mark.

**MPH (Master of Public Health)**

Interested individuals from India and Southeast Asian Region must have:

- A bachelor’s degree.
- A minimum of two years of experience (full time) related to health besides the Bachelor's/ Master's degree. (Work experience is waived for Ph.D. and M.B.B.S. graduates)
- Prior college-level mathematics courses, prior college-level biology course and another health-related course.
- Demonstrated English proficiency to prior degree, TOEFL or IELTS.
- Demonstrated quantitative and verbal skills through GRE, MCAT, LSAT, or GMAT. (Applicants with degrees beyond the bachelor's degree may request a waiver of standardized test scores if they are other sources of quantitative abilities.)

For more info: please visit www.mph.iihmr.edu.in

**Hostel Facility**
